

# GREG WYATT

AUTHOR | SPEAKER | MEDIA COMMENTATOR

---

## SHORT BIO (FOR PRODUCERS)

Greg Wyatt is an author, speaker, and seasoned media guest known for candid, uncompromising conversations on fatherhood, faith, medical ethics, and institutional power. Drawing from lived experience rather than theory, Greg brings emotional depth and cultural clarity to television, radio, podcasts, and alternative media. He is a confident, articulate interviewee who engages complex and controversial subjects without talking points, making him a compelling presence for live and long-form conversations.

---

## EXTENDED BIO (FOR PRESS & FEATURES)

Greg Wyatt is the author of four books exploring fatherhood, grief, faith, and the personal cost of confronting powerful institutions. His work blends memoir, investigative commentary, and spiritual reflection, grounded in lived experience rather than ideology.

Greg's latest book, *Ashes to Armor*, represents the culmination of years of personal loss, cultural inquiry, and moral reckoning. Beginning with generational history and the legacy of silence passed from father to son, the book traces his journey through medical dismissal, grief that went unnamed, and the spiritual consequences of prolonged betrayal.

With extensive experience across television, radio, and podcast platforms, Greg is known for his ability to engage difficult subjects with clarity, restraint, and emotional honesty. He speaks not as an activist or pundit, but as a father forced to confront systems that claimed authority while dismissing lived reality.

His interviews often address medical ethics, informed consent, censorship, masculinity, generational trauma, and the role of faith in enduring suffering. Greg resonates with audiences seeking substance over slogans and truth over comfort.

---

## BOOKS BY GREG WYATT

Greg Wyatt's body of work reflects a consistent and evolving exploration of suffering, accountability, faith, and resilience. Each book stands alone while also building toward the themes fully realized in *Ashes to Armor*.

## *Ashes to Armor: The Greg Wyatt Story – From Brokenness to Battle Gear*

A deeply personal memoir examining fatherhood, medical betrayal, grief, faith, and resilience. *Ashes to Armor* gives voice to fathers and families often left unheard, while confronting the cultural and institutional systems that resist accountability.

## *Monetizing Misery*

An investigative examination of how suffering—particularly medical injury and chronic illness—has become an industry. The book confronts financial incentives, institutional power, and narrative control that profit from pain while silencing those most affected.

## *Demons at My Doorstep*

A raw exploration of spiritual warfare, psychological pressure, and the unseen dimensions of prolonged trauma. This work reflects on encounters with darkness—both internal and external—and the cost of holding faith under relentless strain.

## *Light in the Darkness: My Search for Meaning*

A reflective narrative centered on grief, loss, and the search for meaning when familiar frameworks collapse. This work emphasizes endurance, faith, and the slow rebuilding of hope after devastation.

---

## KEY INTERVIEW TOPICS

Greg is particularly well suited for conversations on:

- Fatherhood, masculinity, and emotional inheritance
- Medical ethics, informed consent, and institutional accountability
- Grief, loss, and the psychological toll of being dismissed
- Faith under pressure and spiritual resilience
- Censorship, narrative control, and alternative media
- Generational trauma and breaking destructive cycles

---

## SAMPLE INTERVIEW QUESTIONS

- What happens when lived experience collides with institutional authority?
- Why are fathers' voices so often minimized in medical and cultural conversations?
- How do men carry grief when there is no language or space for it?
- Has society replaced truth-seeking with narrative protection?
- What does resilience look like after trust is broken?

## MEDIA EXPERIENCE

Greg Wyatt is a seasoned media guest with experience across national television, radio, and long-form interviews. Over the course of his career, he has been interviewed by high-profile journalists and programs, including **Joan Rivers**, **Tom Brokaw**, **Hard Copy**, and **The H.G. Wells Radio Show**, among others.

He has appeared on numerous television and radio programs, as well as podcasts, discussing fatherhood, faith, medical ethics, and cultural accountability.
